

## PERMIT CONDITIONS

This permit covers only movement upon highways under the jurisdiction of the State of Nevada Department of Transportation and does not include nor does it imply authority to use streets or roads under jurisdiction of any city, county or other public or private entity. Individual permits must be obtained for such movement from the party or parties having jurisdiction.

The permittee shall defend, indemnify and hold harmless the State of Nevada, its officers, employees and agents from any liability, damages, claims or actions for injury to persons or damage to property whether the property belongs to the state, to the permittee or to third parties, and whether caused by the permittee or an agent or employee of the permittee in the performance or exercise of the permit. Each permit issued by the department must contain indemnification language in substantially the same form as set forth in the subsection.

Items as specified in this permit, being transported shall at no time be left in a position that will block or detour traffic; and when parked for any appreciable time shall be completely removed from the traveled way and warning signs, flags, flares or lights provided as further protection to the traveling public.

Permits issued will authorize movement upon the highways maintained by the department under the following conditions:

1. Transportation equipment must comply in all respects with the motor vehicle laws of the State of Nevada and all other provisions of the law regarding the use, operation and licensing of motor vehicles and must at all times be operated with regard to public safety.
2. When traffic, weather or other conditions are determined by the department or the law enforcement agency to constitute a hazard, the permit may be temporarily suspended or restricted in use.
3. Except as otherwise provided in this subsection, compliance with all posted speed limits and "advisory speed" signs is required. If the department issues a permit that sets forth a speed limit for a particular highway or a section of a particular highway, compliance with is required.
4. Items listed in this permit shall not be transported Saturday, Sunday or legal holidays, unless otherwise designated.
5. Moving operations shall not be conducted only during daylight hours, unless otherwise designated. "Hours of darkness" means one-half hour after sunset until one-half hour before sunrise.
6. No guide posts, marker posts, snow marker posts, sign or sign posts shall be removed without written consent and approval of the district engineer.
7. The cost of repair of any roadway shoulders, surfacing, guideposts, marker posts, snow marker posts, signs or signposts, bridge or bridge rail or any other appurtenances of the highway or highway right-of-way damage or unduly disturbed by the permittee's operation must be paid by the permittee. The department shall determine the amount of damages and bill the permittee. The permittee shall pay the bill by cash or certified check within 20 days after receipt of the bill. The failure of the permittee to pay the bill in a timely manner will result in revocation of his annual permits and/or cessation of issuing future trip permits until the bill is satisfied.
8. The department reserves the right to revoke any or all portions of a permit at any time or for any cause which the department deems necessary to fulfill its obligations, and the department is not responsible for any damages sustained by the permittee as a result of such revocation.
9. A permittee who receives three citations within a period of 6 months for violation of the permit conditions may, at the department's discretion, have his permit privileges suspended for up to 30 days.
10. Pilot cars and flagmen shall be stationed at a distance or location that will afford ample warning to the traveling public. Flashing amber lights are required on all pilot cars.
11. All vehicles in excess of 8 feet 6 inches wide must display "oversize load" signs front and rear. A sign displayed pursuant to this section must be at least 7 feet wide and at least 18 inches high with black letters that are at least 10 inches high of 1 5/8-inch minimum stroke on a yellow background. As a warning to approaching traffic, the vehicle shall operate with the headlights on low beam.
12. Except as otherwise provided in this subsection and subsection 13 and unless a person possesses a permit issued by the department that allows his vehicle to exceed the following limitations:
  - (a) The maximum weight per tire, measured by pounds per inch of tire width, is 600 pounds per inch for the steering axle and 500 pounds per inch for all other axles, not to exceed the axle rating.
  - (b) Except for steering axles and axles that weigh less than 10,000 pounds, each axle must have at least four tires if the tire width of each tire width of each tire on an axle is less than or equal to 14 inches. If the maximum weight per tire does not exceed 500 pounds per inch of tire width, an axle may be equipped with tires that have a width of more than 14 inches.
13. The provisions of subsection 12 do not apply to a bus owned or operated by the Clark County Regional Transportation Commission.
14. A vehicle for which a permit is issued is subject to inspection by the department or a law enforcement agency before the vehicle may be moved. If the vehicle fails to pass the inspection, the permit will be revoked.
15. Two or more oversized or overweight vehicles may not participate in a convoy unless the permit for each vehicle participating in the convoy so authorizes.
16. There shall be no following of another commercial vehicle at an interval less than 500 feet except when overtaking and passing.
17. Request for permit for flashing revolving amber light must be directed to the Nevada Department of Motor Vehicles and Public Safety, Highway Patrol Division, Carson City, Nevada.
18. All mobile home towing vehicles shall be equipped with dual wheels.

Permit rules and regulations are available at NDOT offices in Las Vegas, Reno, Elko, Ely, Tonopah and Winnemucca.
